TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Newfields, in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall, in said Newfields, on Tuesday, the thirteenth (13th) day of March next, at two of the clock in the afternoon until nine of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will grant a discount of 2% on taxes paid in full thirty days after the taxes are committed to the collector.

4. To see if the voters will authorize the Selectmen and Town Treasurer to borrow a sum or sums not exceeding in the aggregate of \$15,000 in anticipation of the collection of taxes for the current municipal year and to issue in the name and on the credit of the Town negotiable notes therefore, said notes to be repaid during the current municipal year from taxes collected within the current municipal year.

5. To see what action the Town will take relative to the authorization of the sale of real estate held or acquired by the Town on account of purchase at tax sales.

6. To see what action the Town will take toward the acceptance of reports of Town Officers; as printed in the Town Report.

7. To see if the Town will vote to authorize the

Water Commissioners, with the approval of the selectmen, to borrow money in anticipation of revenue.

8. To see what action the Town will take relative to playing basket ball in the Town Hall.

9. To see if the Town will vote to reconsider the vote of the 1960 annual meeting relative to construction of a Town Hall parking lot.

10. To see if the Town will vote to reconsider the vote of the 1961 annual meeting relative to the installation of water meters.

11. To see if the Town will vote to amend the Organization of the Water Department of the Town of Newfields, Newfields, N. H., adopted March 8, 1955, to allow the Commissioners to receive compensation for their services.

12. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this twenty-fourth day of February, in the year of our Lord nineteen hundred and sixty-two.

LESLIE F. HAYDEN,
THOMAS R. SHEEHY,
ROBERT E. NIXON,

Selectmen of Newfields.

A true copy of warrant — Attest:

LESLIE F. HAYDEN,
THOMAS R. SHEEHY,
ROBERT E. NIXON,

Selectmen of Newfields.

Business meeting will be held at 8 P. M.

LINDSEY R. BRIGHAM,
Trustees of Trust Funds.

AUDITOR'S CERTIFICATE

Durham, N. H.
February 18, 1962

Board of Selectmen,
Newfields, N. H.

Gentlemen:

I have examined the books and records of the selectmen, treasurer, tax collector, town clerk, water department, water extension committee, Paul Memorial Library and the trustees of trust funds. I have examined the bonds of town officers and insurance policies of the Town and found them in good order.

In general the books are in good order. I have made notes on the various reports of any discrepancies.

All delinquent property taxpayers were contacted by letter.

I found that as of December 31, 1961 the Town had two outstanding long term notes payable to the Exeter Banking Co. The first one dated August 11, 1959 for \$6,984.45 now has a balance of \$4,986.05. The second dated Sept. 16, 1960 for \$23,000 now has a balance of \$20,444.40. This information was confirmed by the bank.

Yours very truly,

ARTHUR W. JOHNSON,
Certified Public Accountant.

GLADYS M. SMITH,
Treasurer.

AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook — yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight per cent of our forest fires result from human carelessness—our carelessness. This, we—you—and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations, we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you—

1. Follow the warden's directions.
 2. Secure the required burning permit.
 3. Keep your fires under control.
 4. Completely extinguish your fires before leaving them.
 5. See that your children are properly cautioned.
- Everyone will benefit by it.

1961 Fire Record

Number of fires, 1.

Number of acres burned, $\frac{1}{3}$.

Number of permits issued, 27.

D. PERRY SMITH,
Forest Fire Warden.

MERTON A. WEBBER,
District Fire Chief.

SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Newfields, New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the twelfth day of March, 1962, at six o'clock in the afternoon to act upon the following subjects: (Business meeting at 8:00 P. M.)

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
6. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.
8. To see what sum of money the District will raise and appropriate for the salaries of School District officials and agents, and for the payment of statutory obligations of the District, and to authorize the application against and appropriation of such sums as are estimated to be received from the State Equalization Fund together with other income; the School Board to certify to the Selectmen the balance between the esti-

mated revenue and the appropriations, which balance is to be raised by taxes by the Town.

9. To see if the District will vote to raise and appropriate a sum to be not in excess of \$600.00 for the purpose of tarring the school driveway.

Given under our hands at said Newfields this twenty-fourth day of February, 1962.

THEODORE S. NELSON,
FRANCES P. BRIGHAM,
CAROLYN B. STORER,
School Board of Newfields, N. H.

A true copy of Warrant—Attest:

THEODORE S. NELSON,
FRANCES P. BRIGHAM,
CAROLYN B. STORER,
School Board of Newfields, N. H.

BUDGET OF THE SCHOOL DISTRICT **Newfields — 1962-63**

 Budget Committee.

REPORT OF THE SCHOOL BOARD

The annual School District Meeting was held at the Town Hall on March 13, 1961. District officers elected for the following year were: Lindsey R. Brigham, Moderator; Mary B. Hallinan, clerk; Rachel Gelb, Treasurer; Frances Brigham, member of the School Board for three years. In October Harriet Knipstein was appointed to fill the unexpired term of Rachel Gelb.

Due largely to a higher than expected Federal Aid and less than budgeted expense for tuition pupils the School District completed its fiscal year with a substantial financial return to the town of \$5,800.00.

We have for the third straight year been fortunate to have available the facilities of the library basement for the second grade. We wish, therefore, to thank the library Trustees for their cooperation in this regard. This facility has been approved on a temporary basis by the state for usage as a classroom. At this time it is the opinion of the School Board, for budgeting purposes, that it will be again used as a classroom for the coming year, subject to the approval of the library trustees and the State Board of Education.

The School Board this year procured a second bus to Exeter as the number of students to be transported approached 80 pupils. Next year the same number of buses will have to be used as the census at this time shows 77 pupils in the 7-12 grades. The graduating class from Newfields at present is 5 with 14 entering in the forthcoming seventh grade.

The two new classrooms and entry of the school were painted this year with a matching deeper color three feet from the floor. Also the roof on the entrance at the front of the building was replaced and the pillars

were anchored and painted. The wooden floors in the two older classrooms were finished and sealed.

We found it necessary this fall to ask for a patrol at the railroad crossing as a safety hazard was presented by the stopping of a train several times a week at noon and not uncoupling. The Public Utilities Commission was contacted through an attorney and the Boston and Maine was informed. Through the cooperation of the Board of Selectmen, for which we are very thankful, this problem was eliminated.

We sincerely thank the P.-T.A. for its support through their dental, safety, hot soup and milk programs, as well as their continued cooperation and interest in the betterment of education and school facilities in Newfields.

We also wish to thank at this time Chief Gelb and the Police Department for their continuing support of the Safety Patrol and other safety programs.

It is with sincerity that we wish to thank all who have combined their talents, time and efforts in behalf of the pupils of the Newfields School system. Especially we wish to thank our staff of teachers; our Superintendent, Mr. Hoyt; our teacher consultant, Mr. Elsmore; our janitor; and the taxpayers who have provided the financial ability to secure another year of education for the taxpayers of tomorrow.

THEODORE S. NELSON,
CAROLYN B. STORER,
FRANCES P. BRIGHAM,
School Board of Newfields, N. H.

AUDITOR'S CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Newfields, N. H., of which the above is a true summary for the fiscal year ending June 30, 1961, and find them correct in all respects.

ARTHUR W. JOHNSON, C.P.A.,
Auditor.

February 21, 1962.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of Newfields:

Two changes were necessary in the teaching staff for 1961-1962 caused by the resignations of Mrs. Pauline Nixon and Mrs. Pearl Wilbur. These vacancies were filled by Mrs. Carolyn Pulsifer and Mrs. Lena Mead.

The teaching staff is as follows:

Mrs. Ruth Goffe, Principal, Grade 1

Mrs. Carolyn Pulsifer, Grade 2

Mrs. Betty Phinney, Grade 3

Mrs. Gladys Chick, Grades 4-5

Mrs. Lena Mead, Grades 5-6

Mrs. Eleanor Henry, Music

Miss Mary Shea, School Nurse

Miss Gemma Jean, Assistant School Nurse

Mr. Harold Matava, Handwriting

This staff is working diligently to provide good training for the girls and boys.

According to the tuition contract agreement "the tuition rates shall be based upon the estimated average per pupil costs of grades 7-8 and grades 9-12 in the public schools of Exeter for the school year preceding the year to which the tuition rates are applicable plus a rental charge of two per cent as provided under N. H. RSA 194:27." The estimated per pupil cost for junior high students for 1961-1962 is \$359.66 and the estimated cost for high school students is \$460.53. To these figures is added the rental charge of \$22.17 making a total junior high cost of \$381.83 and a total high school cost of \$482.70. These figures have been approved by the State Department of Education.

Because the above figures are estimates, the Exeter School Board has agreed that it would rather be on the low side than the high side and has set the tuition rates for next year as \$375.00 for junior high students and

\$475.00 for high school students. It may be of interest to know that the estimated state average per high school pupil costs for 1961-1962 are \$457.00 exclusive of rental fee.

In estimating the per pupil costs the following expenditures were not included: tax for state wide supervision, transportation, salary of the Teacher Consultant, hot lunch programs, reimbursement from the National Defense Education Act, tuitions and capital outlay items.

Due to the increasing demands on the school nurses' time and services and the increase in school enrollments in recent years, the Supervisory Union School Boards at the annual budget meeting in December voted to add another assistant nurse for the next school year. It was felt that there are decided advantages in doing this on a supervisory union basis so that a coordinated health program may be continued and that the health equipment, some of which is rather expensive, may be used in all of the districts in the union. The above would not be true if each school district were to employ its own nurse and carry on its own program.

This will provide as personnel a head nurse and two assistant nurses to carry out the school health program for our schools.

A part of this report is devoted to a statement by Mr. Donald Elsemore, Teacher Consultant for Supervisory Union #16, concerning work which he is doing in his role as supervisor of elementary education which gives him the opportunity to work with the elementary teachers and to assist them in their teaching. He reports as follows:

"During the last session of the New Hampshire State Legislature the title of Helping Teacher was officially changed to Teacher Consultant. Although the title is new, the task remains the same, to work toward the continued improvement of the educational growth and development of children.

One means of bringing this about this year has been through a series of in-service training sessions for teachers. The first such meeting was held in September. Elementary teachers met with the New Hampshire Director of Mathematics, George Cunningham, for a close look at the recently completed local curriculum guide in mathematics. This guide was developed by Supervisory Union #16 teachers and is now in the hands of each teacher. This first meeting was designed to assure the wisest possible use of this guide toward the betterment of mathematics instruction.

Other meetings have dealt with the following topics:

October: The teaching of reading—a panel of reading specialists answered teachers' questions concerning specific problems in the teaching of reading.

November: Audio-visual Aids—Mr. John Bardwell, Director of the University of New Hampshire Audio Visual Center, conducted this informative meeting. He demonstrated practical classroom uses of new audio-visual materials. He also demonstrated and discussed the possible uses of teaching machines in the school.

February: Elementary Science Guide — Mr. Howard Wagner, New Hampshire Director of Science Education, led this meeting. Copies of the new state publication, "Elementary Science Guide," were distributed to all teachers. The purpose of the meeting was to thoroughly acquaint teachers with this new guide through actual demonstrations so that once in the hands of teachers, it will be used.

Later meetings are in the planning stage at this time. Major topics will deal with the teaching of spelling, conservation education, and a look at new textbooks and other instructional aids.

A Boston University extension course in the teaching of reading was recently completed in Stratham. Twenty Supervisory Union # 16 teachers took advantage of this opportunity to improve their reading instruction under the direction of Dr.

Helen Murphy, an outstanding person in the field of reading. The impact of this course is already being felt in our classrooms.

This report has included only samples of the work done under the direction of the Teacher Consultant. Daily work is varied and might be summarized as including all phases of working with teachers, pupils and parents in the search for new ways to improve the quality of education."

As a matter of public information on days when there is to be no school due to inclement weather an announcement will be made over the Dover radio station WTSN, 1270 on the dial, starting at 6:45 A. M., and over the Portsmouth radio station WHEB, 750 on the dial, starting at 7:15 A. M. during December and January and at 6:45 A. M. during the other months of the year.

The decision to have the Standard Achievement Tests given in the middle of the school year rather than in May to all except students in the first grade has the advantage of teachers being able to use the results of the tests diagnostically. If a class shows that it is below standard in a certain subject, the teacher has the opportunity to require more work and drill in this area for the remainder of the year, a procedure which should result in better achievement.

The Parent-Teacher Association continues to contribute to the educational needs of the school.

I call your attention to the reports and tables which follow.

Again I take this opportunity to express my sincere appreciation to the citizens, the members of the School Board and the teachers for their continued support and cooperation.

Respectfully submitted, RAYMOND A. HOYT.
 Superintendent,
 Supervisory Union #16.

January 22, 1962
 Newfields, New Hampshire.

SCHOOL HEALTH REPORT

To the Superintendent of Schools:

A school health program is generally recognized to include these essentials:

- A. A safe and healthful school environment.
- B. Guidance of individual pupil health, including periodic health examinations as needed.
- C. Teaching of adequate health information.
- D. Promoting health of school personnel.
- E. Development of relationships between school, home and community so that the health program can be carried over into the child's life outside school.
- F. Making necessary adjustments in the school program for children with particular needs.

To help carry out these essentials the health staff may consist of physician, nurses, psychologist, nutritionist, psychiatrist, dental hygienist, and other related specialists. No matter how complete the health staff, it cannot carry out all aspects alone. Since health is a part of every child's daily living, in his classroom, his room and his community, a health program cannot be isolated in the health office. Its success depends on many people—parents, school board, superintendent, teacher, and the nurse.

Constant effort is being made to achieve most satisfactory results in building better health for our children by integration with other school personnel and coordination with state health agencies.

If health service in our school is to be effective, it is obvious that adequate budget and personnel are nec-

essary to meet the needs of our growing school population.

In conclusion, we express our sincere appreciation to the school board, the Superintendent, the parents and teachers for their contribution and support of our health program.

Respectfully submitted,

MARY G. SHEA, R.N.,
School Nurse.

GEMMA R. JEAN, R.N.,
Assistant Nurse.

Newfields, N. H.
January 26, 1962.

REPORT OF SUPERVISORY UNION

Retarded Class

To the Superintendent of Schools:

Within the walls of the beautiful new addition to the Exeter Elementary School, the Supervisory Union #16 Class is holding forth this year.

The enrollment is fourteen—nine boys and five girls. The gradation levels are from kindergarten to fifth and sixth grade activities. The span of learning abilities is great, therefore each child benefits from helping the next child down the scale.

The major portion of each day is taken up with practical aspects of the academic necessities — reading for comprehension, useful mathematics, everyday spelling, studying the people we live with and listening.

During the week various groups join other classes. Some take TV science with a fifth grade, some with a sixth. There is a small section taking New Hampshire History with a fourth grade and a young element who join a first grade for phonics. Each, according to his capabilities and size, takes physical education at different times and with different classes. Herein is the advantage of being part of a large school. The music and art supervisors come to us as one class.

Troop #323 Boy Scouts of America meets each Tuesday afternoon with Dr. Pitchforth. They number seven Boy Scouts and two Cub Scouts.

It is a challenging year to us all.

Respectfully submitted,

MARIAN R. WEBSTER.

Exeter, N. H.

January 24, 1962.

REPORT OF THE MUSIC SUPERVISOR

To the Superintendent of Schools:

In the music program, many of the experiences in which the pupils participate are essential from year to year. Therefore, in order to avoid repetition, I should like to state briefly that during the year 1961 the classroom work included the following:

Ear-training, rhythms, work with rhythm band, the learning of rote songs, action songs, singing games, song stories, learning to play tonettes, studying the fundamentals of music, note reading, part-singing, music appreciation and folk and square dancing.

A musical program was presented at the Town Hall in the spring. This consisted of a program of dances and rhythm band selections by Mrs. Goffe's class, and an operetta, "The Cobbler and the Elves," by Mrs. Phinney's pupils. Much credit should be given these teachers for their hard work on this program, and for its success. From the proceeds, an auto harp was purchased for the school. Learning to play this instrument is a new musical experience in which the pupils are now participating.

The Memorial Day Exercises at the Town Hall included a musical program by the pupils of Mrs. Nixon, Mrs. Chick, and Mrs. Wilbur.

In September, Mrs. Goffe invited the parents of her first grade pupils to visit a music class. She and I were both pleased to have a good number attend.

We are grateful to Mrs. Pulsifer for her generosity in letting us have the use of her electric organ for the second grade. As there is no piano in the Library, it has been of great help in the music program.

In closing, I wish to thank Mr. Hoyt, Mr. Elsemore, the members of the School Board, the P.-T.A., Mrs. Goffe, the teachers and the parents for their co-operation.

Respectfully submitted, ELEANOR HENRY.
